

GOD Time

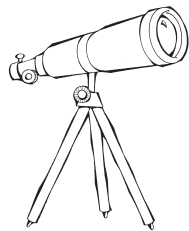

Day 1

Read Matthew 10:29-31

Week 1 01

Look down from a high place and things below seem tiny and unimportant. But if you focus through a telescope, you see details and individual people. God focuses on each person: He even knows how many hairs are on your head! Every person has value, so honor others like God does and don't overlook people.

Roll up a piece of paper like a telescope to focus on things around you. What details do you notice that you sometimes overlook?

Day 2

Read Romans 12:10

Week 1 01

Imagine you are shooting a reality show about your family. You focus the camera on your mom washing clothes, your dad cooking breakfast, your little brother begging to help you, and your grandma giving you a smile. God wants you to notice and value all the little things your family does for you each day.

List a family member you could honor in each of these ways:

Say thank you to:
Play a game with:
Spend time with:

Do a chore for:
Make a card for:
Share with:

252 BASICS®

ASK God to help you honor the people who love you.

Day 4

Read Proverbs 24:23

Week 1 01

The most wonderful story can be hidden behind a simple book cover. Just as you can't judge a book by its cover, you shouldn't judge people by how they look. God values "the stories" of people who look or seem different from you, so honor those of different race, age, or abilities instead of judging them.

How are these people alike and different?

Who is "different" at school or in your neighborhood that you can honor?

KNOW that God honors every person.

Day 3

Read 1 Samuel 16:7b

Week 1 01

What makes you notice and admire people? Is it because they are popular, cool, pretty, or good at sports? God looks deep inside to see value in each person. When you focus closely, you can observe these special qualities in others. Let these people know you see their value!

Search for these qualities:
SMART, KIND,
LOYAL, JOYFUL,
FUNNY, TRUTHFUL
