

GOD Time

Day 1

Read Philippians 2:3-4

Week 1 02

You know honor is letting someone know you see how valuable they really are, and you just read that God wants you to honor others MORE than yourself, but HOW do you do that? One way is to "give" your time to others—showing them they are worth more to you than keeping that time for yourself!

Take your time to make homemade valentines for residents of a local nursing home.

THANK God for putting you first by sending His Son to be your Savior.

Day 2

Read Philippians 2:5-7

Week 1 02

Because Jesus loves you so much, He gave up His position in heaven to come earth to be your Savior. He put you first and showed how valuable you are to Him. When you give up your "position" to others—letting them take your turn, choose first, or take the best seat—you honor others and act like Jesus.

Answer this riddle:

ASK God to help you be more like Jesus.

Day 4

Read 2 Corinthians 9:7

Week 1 02

When you give an offering at church, that money helps others. Some of it might support missionaries so people can learn about Jesus. Some might provide food or clothes for poor people. When you give, you honor others more than yourself by showing them they are more valuable to you than the things you could have bought with that money.

Pick a missionary supported by your church and set a goal for money you can save up to donate. You could even send your missionary a valentine!

KNOW that God loves a cheerful giver.
