Day 1

Read Mark 9:35

Week 1 03

A captain in the army commands a company of soldiers, but also serves them. He may be first in his company, but he puts himself last by placing the lives of his men before his own. Jesus did the same thing for you and wants you to follow His example.

Day 2

Read 1 Corinthians 10:24

Week 1 03

Suppose your parent asks you to set the table. "Sure, after I finish my game," you reply. Your brother wants you to read to him. You say, "If I have time." Is this your pattern? You can't really "seek good" for another if you always put your own "good" first. When someone asks for help, it's your chance to put him or her first.

sit down on the floor and then jump to your feet a few times to practice "jumping quickly" to serve when you're asked.

252 BASICS®

ASK God to help you do good for others.

Day 4

Read Galatians 6:9

Week 1 03

Planting and taking care of a garden is hard work, but if you work a garden, you'll get to enjoy all the food you harvest. Service is like that—it can be hard and you can get tired of serving others. But when you keep at it, you harvest awesome results: people get to experience God's love through your good works.

offer to serve by watering indoor or outdoor plants for your parents.

252 BASICS®

KNOW God never gets weary of caring for you.

Day 3

Read Philippians 2:3

Week 1 03

If you met the President, you'd let him speak first, offer him the best seat, and offer to serve him because you'd think of him as "better" than you. God doesn't consider anyone better than anyone else, but He wants you to think of others that way, so you'll automatically put them first.

write the words family, others, God, friends, and me in the squares to show who comes "first" with you.
